# Drills

Using the Teams table:

1. What teams had more wins than the 2016 Chicago Cubs (teamID = 'CHN')?
2. Create a field Century which marks records in the 19th Century as 19, 20th as 20 and 21st as 21.
3. Find the average season minimum attendance since 1990.

# Drills

Using the Teams table:
